### **Beyond The Big Ditch**

Beyond the Big Ditch is a thoughtful, deeply informed, multifaceted, and nuanced look at the history, meanings, and varied impact of the Panama Canal. Ashley Carse's transdisciplinary approach is masterful, allowing the reader to see physical infrastructure in its inception, construction, maintenance, and decay, as an evolving entity and force in social, political, economic, and ecological realms.

Beyond the Big Ditch. Book Description: In this innovative book, Ashley Carse traces the water that flows into and out from the Panama Canal to explain how global shipping is entangled with Panama's cultural and physical landscapes. By following container ships as they travel downstream along maritime routes and tracing rivers upstream across the populated watershed that feeds the canal, he explores the politics of environmental management around a waterway that links faraway ports and ...

Beyond the Big Ditch is a welcome contribution to the field of political ecology. Drawing on historical archives, ethnographic fieldwork, interviews, and a heavy dose of critical social theory, Carse shows how “moving ships” through the Panama Canal is really about “managing political ecologies” (p. 220).
