Here is your 6-Week Bowflex Home Workout Plan: 20-minute workouts each day involving both strength and cardio to keep you healthy (and happy!) during these challenging times. You will repeat these workouts each week for six weeks, giving you time to both learn the exercises and see improvements. While most workouts require no equipment, a few do incorporate dumbbells and a bench.

Since you aren't using free weights with the Bowflex workout, your core will still get some work. You have a few options... 1) Add an ab exercise to your Bowflex Workout. Use the same or slightly higher rep ranges. Work on making resistance increases on the ab exercise just as you do with your other weight lifting exercises.

I've owned the Bowflex Max Trainer for a little over a month now. The advertising says a full workout in 14 minutes. I can't get to 14 minutes! This is a tough workout. I'm well overweight and out of shape. I've begun eating better and bought this machine to help with exercise. It is awesome. It fully works out my entire body.
