HER-2 : The Making of Herceptin, a Revolutionary Treatment ...

Even though these two sections combined were short they had a lot of good information about the brief history of the discovery of HER-2 and the development of Herceptin. After reading about how the development of the drug almost never happened it got me excited to learn more about the process, hence the title Her-2: The Making of Herceptin.

Herceptin, a Revolutionary Treatment for Breast Cancer. The film was the first mainstream feature film to be scored as a solo project by composer Halli Cauthery. Renée Zellweger, in her first television project, is executive producer, with Neil Meron and Craig Zadan producers.

Living Proof (film) - Wikipedia

Her-2: The Making of Herceptin, a Revolutionary Treatment for Breast Cancer... Everyone should read this book to know the atrocities of how drugs are used AND not used when they can help patients but put on shelves because it is more cost effective to let a patient die than manufacture an effective drug for few.

Her-2 : The Making of Herceptin, a Revolutionary Treatment ...

If the IHC result is 2+, the HER2 status of the tumor is not clear and is called "equivocal." This means that the HER2 status needs to be tested with FISH to clarify the result. Triple-negative breast tumors don't have too much HER2 and also don't have estrogen or progesterone receptors. They are HER2-, ER-, and PR-negative.
