Is Humanitarian Intervention Legal The

Humanitarian intervention has been defined as a state's use of military force against another state, with the stated goal of ending human rights violations in that state. This definition may be too narrow as it precludes non-military forms of intervention such as humanitarian aid and international sanctions. On this broader understanding, "Humanitarian intervention should be understood to ...

Humanitarian intervention - Wikipedia

In pre-Charter law, there was some support for the consideration of humanitarian intervention as legal. Early recognition of the doctrine of humanitarian intervention as acceptable in international relations is widely attributed to the works of the 17th century Dutch author Hugo Grotius, also known as the Father of International Law.

Humanitarian Intervention: A Legal Analysis

humanitarian intervention, actions undertaken by an organization or organizations (usually a state or a coalition of states) that are intended to alleviate extensive human suffering within the borders of a sovereign state. Such suffering tends to be the result of a government instigating, facilitating, or ignoring the abuse of groups falling within its jurisdiction.

humanitarian intervention | Britannica

Armed Humanitarian Intervention. Humanitarian intervention is a use of military force to address extraordinary suffering of people, such as genocide or similar, large-scale violation of basic human rights, where people's suffering results from their own government's actions or failures to act. These interventions are also called "armed interventions," or "armed humanitarian ...
