An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Kicking around on a piece of ground in your home town Waiting for someone or something to show you the way. Tired of lying in the sunshine staying home to watch the rain. You are young and life is long and there is time to kill today. And then one day you find ten years have got behind you. No one told you when to run, you missed the starting gun.

Recursion by Blake Crouch - Goodreads

COMMON You use the buck stops here to say that a problem is your responsibility, and that you are not expecting anyone else to deal with it. Note: In poker, the buck was a marker or object which was passed to the person whose turn it was to deal the next hand. This person could either keep the marker or pass it on, in order to avoid dealing and being responsible for declaring the first stake.
