No Excuses

If one of your goals this year is to really start the business you have been wanting to start, these might be some of the excuses: "I don't have time.", "I don't have enough money.", "I don't know what to do!". In the 50 millionaires I interviewed last year, I found a common theme. They have a No Excuses Approach.

Having a system of accountability makes employees responsible for their performance. When you don't lightly accept excuses, then people stop making them. If you have formed the bad habit of letting your workers get away with things they should not be doing, like slacking, then communicate with them that you will no longer be allowing that to go on.

9 Ways to Address Excuses & Improve Workplace Productivity

That said, if you've developed a bad habit where you make excuses all the time, then it might be time to curb this behavior (and of course, not make excuses about why you can't start today.) In this article, we'll talk about the specific reasons why people often make excuses and then you'll discover a 13-step process you can use to stop making excuses throughout all aspects of your life.

13 Steps to Stop Making Excuses and Take Responsibility

NO EXCUSES — Get Started Today! As you can see, there really are no excuses for why you can't have a more successful, fulfilling, or even profitable life. The truth is, it's all a numbers game — and the internet is working 24/7, 365 days a year.

You have NO excuses! Success waiting for you to take ...

No Excuses: Being Accountable for Your Own Success Jan 24, 2019. By Linda Galindo. How much of your success would you say is up to you—your choices, your actions, your behaviors—versus outside conditions? If your mind-set is that you're at least 85% responsible for your success—and that just 15% depends on the way the wind blows—you'll likely be successful.
