Each year of Singapore Primary Math (K-6) includes two full-color textbooks and two black-and-white workbooks. Sonlight has also developed unique Home Instructor's Guides for the Primary Math programs 2A-6B. (Due to the simplicity of the math, lower levels have no guide.) The guides bridge the gap between textbook and workbook.

Homeschool Math Curriculum | Homeschool Math Programs

I was more than satisfied with the math help program. I only got 2 questions incorrect on the math portion of the TABE test. I don't remember having any issues going through the lessons, and always felt more than ready moving to the practice portion, then the test portion of each lesson.
