The Unofficial Samsung Galaxy Gear

This book is about the Samsung Galaxy Gear smartwatch, which was one of the first "big name" smart watches of the 2013 crop and the natural companion to the Samsung Galaxy Note 3. It's an "unofficial" book because we haven't colluded with the device manufacturer during the writing of the book, which means we can say what we really think. And if we say we like it, it's not because we've been encouraged to say so. So whether you're so-far undecided, or have already purchased your Samsung ...
