I've always envisioned literary translation as a form of creation—a creation by a third party who takes the baton passed by the author to move the text somewhere new, permitting it to unfold in the space of a new language. This creation draws upon the experience of the author and demands a certain self-distancing. A retreat. A sort of humility.

Translation studies is an academic interdisciplinary dealing with
the systematic study of the theory, description and application of
translation, interpreting, and localization. As an interdisciplinary,
Translation Studies borrows much from the various fields of
study that support translation. These include comparative
literature, computer science, history, linguistics, philology,
philosophy ...

Translation studies - Wikipedia

Translation and Literature publishes critical studies and reviews
primarily on English literary writing, of all periods. Its scope takes
in the reception of ancient Greek and Latin works, the historical
and contemporary translation of literary works from modern
languages, and the far-reaching effects which the practice of
translation has, over time, exerted on literature written in
English.

sweeping statements in comparative literature by academics who had read the literary works in translation. However, this dependence on translation was rarely recognised in comparative literature studies until the late 20th century. Foreign-language teaching did not connect with linguistics, but rather, in some vague way, with 'culture'.

To go beyond the work of a leading intellectual is rarely an unambiguous tribute. However, when Gideon Toury founded Descriptive Translation Studies as a research-based discipline, he laid down precisely that intellectual challenge: not just to describe translation, but to explain it through reference to wider relations. That call offers at once a common base, an open and multidirectional ...
